GO! tumbling QUILT

finished size 48" x 78"

FABRIC REQUIREMENTS

- 2 1/3 yards each of light and medium colored fabrics for tumblers
- 5/8 yard binding fabric
- 3 yards backing fabric

CUTTING DIRECTIONS (need a total of 143 tumbler shapes)

- Cut 72 tumbler shapes from light colored fabric
- Cut 71 tumbler shapes from medium colored fabric
- Cut 7—2 1/2" x 40" strips of binding fabric

SEWING DIRECTIONS

1. Layout tumbler shapes in 13 rows of 11 shapes. Alternate the wide and narrow ends of the tumblers so they lay in a straight line.
2. Pin and sew two tumbler shapes right sides together (RST) aligning the notched corners. The sewn shapes should form straight even edges. Adjust your seam allowance if needed.
3. Pin and sew (RST) nine more tumbler shapes to complete Row 1.
4. Press seams in one direction. Label Row 1.
5. Pin (RST), sew and label 12 more rows of 11 tumbler shapes.
6. Press seams in alternating directions for each row.
7. Pin (RST) and sew rows together.
8. Press seams toward bottom of quilt.

QUILTING & FINISHING

1. Layer batting between quilt top and backing.
2. Pin or baste layers together.
3. Machine quilt with an all-over design.
4. Mark a line along the narrowest point of the sides of the quilt with chalk marker or other marking tool and a yardstick. (Shown by dotted line on diagram). Trim on marked line.
5. Add binding, mitering corners.
