BABY QUILT

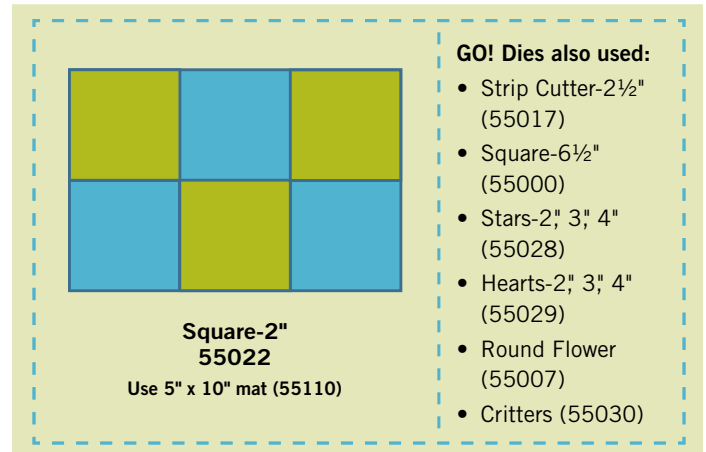

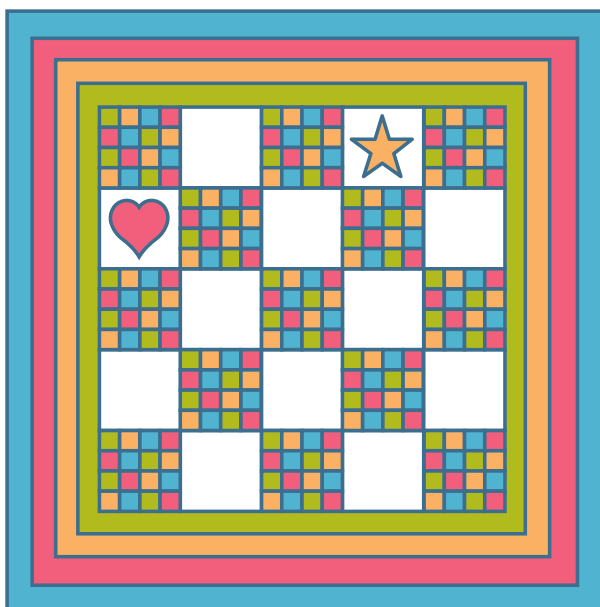

finished size 43½" square

FABRIC REQUIREMENTS

- 1 yard each of four fabrics
- ¾ yard fabric for large squares
- ½ yard binding fabric
- ¾ yard fusible web product
- 2¾ yards backing fabric

CUTTING DIRECTIONS

- Cut 52—2" squares each of four fabrics
- Cut 4—2½" strips across width of fabric for inner borders 1, 2, and 3
- Cut 5—2½" strips across width of fabric for outer border
- Cut 12—appliqué shapes with fusible web backing from available GO!™ dies—stars, hearts, flowers, butterflies, dragonflies and bees
- Cut 12—6½" squares from selected fabric
- Cut 5—2½" strips across width of fabric for binding

SEWING DIRECTIONS

1. Layout 16, 2" squares in a random design for one pieced block.
2. Pin and sew together in four rows of four squares. Press seams of alternating rows to right or left.
3. Pin and sew rows together to complete block. Make 13 pieced blocks.
4. Optional: Center an appliqué shape on each 6½" large square. Fuse according to manufacturer's directions. Machine appliqué edges of appliqué shape, adding detail as desired.
5. Layout 13 pieced blocks and 12 large (appliquéd) squares for quilt according to diagram.
6. Pin and sew pieced blocks and large squares together in horizontal rows.
7. Press seams of alternating rows to right or left.
8. Pin and sew rows together to complete quilt.
9. Press seams toward bottom of quilt.
10. Add four borders, adding the sides first, then top and bottom borders. Outer border strips will need to be pieced together.

QUILTING & FINISHING

1. Layer batting between quilt top and backing.
2. Pin or baste layers together.
3. Machine quilt in an all-over design.
4. Add binding, mitering corners.
